How to Use

First Page - This is a general reminder to help remember the steps in a task. Use it to teach and have that external visual reminders as you progress through the task.

Second Page - Cut out each picture of Meep and fold on dotted line towards the back.

Third Page - glue the folded back portion of Meep onto each box, matching the picture to the word. Write directions for each step in each box for a specific task.

Use this to complete the task, flipping the picture when you need the extra help.
